Career guidance session with an aim of providing guidance for cracking competitive exams was conducted via online mode on 26th march for all microbiology students of SN College Alathur. The program began by welcoming the guests: Ms Mridhula and Ms Amrutha, who completed their undergraduate degree from SN College Alathur in 2013 and 2014 batches respectively. They were wholeheartedly welcomed by Dr Dhiva ma'am, HOD department of microbiology and Smt Divya.R Assistant Professor of Microbiology. Students of 1st, 2nd and 3rd year Microbiology attended the session. The session began with Ms Mridhula sharing her academic experiences, the path she followed and her journey to PhD. She gave her personal advice on how to crack various competitive exams and the methods she adopted which helped her crack exams like CSIR NET. She concluded by encouraging us to choose fields we are interested in rather than allowing somebody else to govern it. In the second session Ms. Amrutha shared her journey, how she persisted on her dreams despite the challenges she had to face and most importantly how she found the courage to appear for competitive exams with support from her environment and faith in herself. Following Ms Amrutha's words both Divya ma'am and Dhiva ma'am gave their personal advice on preparation strategies for exams and the overall mindset required to succeed in the field of life science. Later we had a doubt clearing session, where students clarified their doubts regarding various course options, course specification and competitive exams.
