## **INTERNAL QUALITY ASSURANCE CELL (IQAC)**

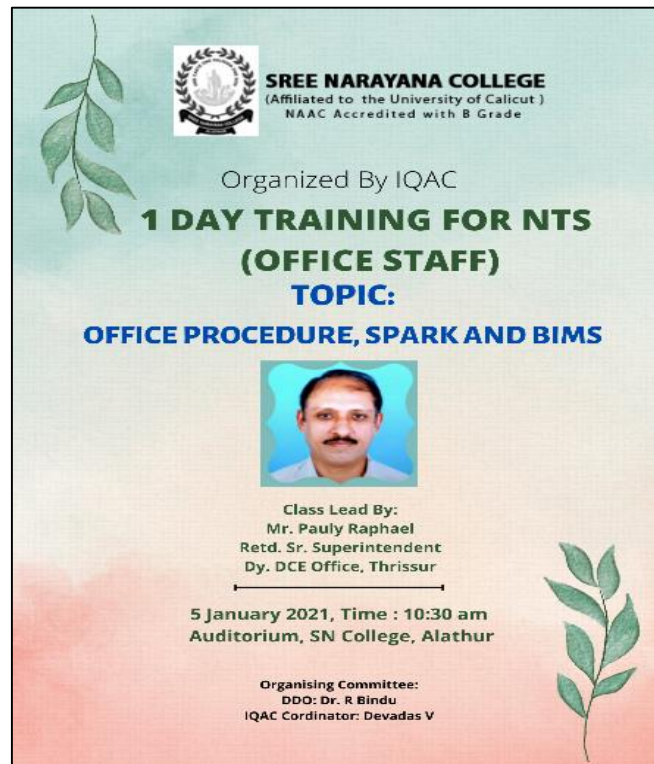

The IQAC plays a pivotal role in the enhancement and sustainability of quality in the educational services provided by the institution. Internal Quality Assurance Cell (IQAC) is formed in the institution as a quality sustenance measure as per the guidelines of the National Assessment and Accreditation Council (NAAC), Bangalore, an autonomous body under the University Grants Commission (UGC). Since quality enhancement is a continuous process, the IQAC is a part of the institution's system and works towards realization of the goals of quality enhancement and sustenance.

The major initiatives includes:

- Promotes high professional standard by integrating research in teaching.
- IQAC encourages teachers to provide lectures and present papers in international and national seminars/workshops.
- IQAC has strictly instructed to hold a virtual classrooms for all classes and promote online assignments and internal evaluation.
- Encourage departments to conduct add-on, certificate and bridge courses for widening knowledge of students.
- The IQAC of the college has been instrumental in conducting various seminars/webinars/workshops for the students/teaching and non-teaching staff for quality enhancement.
- IQAC introduces quality initiatives like accreditation and ranking, consultancy, collaboration, e-attendance, internal promotion guidance and research quality enhancement.
- Ensure stakeholder participation.
- Evaluates curricular & co-curricular activities.
- Self assessment reports verified by HoD are collected from all faculty members at the end of the academic year.
- To improve the individual learning outcomes,external & internal mentoring sessions are arranged like CSIR UGC NET Coaching/JAM /PSC Coaching.
- Promotes teachers to take research degrees. Teachers are encouraged to file application in the University for Research Guideship.

171	Open debate on campus politics	31-10-19	Student politics is essential, and a desirable part of university life. Student activism can bring about concrete changes in our lives; political, environmental, economic as well as social. However, the spurt in the incidence of violence, strikes and protest movements in the educational institutions raises some pertinent questions. Do we really need politics in our educational institutions? And more importantly, what kind of politics do we want? and that was the hot topic of the open debate session.	200
