"A picture speaks a thousand words"

A photography exhibition was conducted on 11/11/2024 at College Auditorium on Biodiversity and conservation' by Bhoomithrasena in association with Departments of Zoology, Botany and Natural History Society of Palakkad. This genre aims to raise awareness about conservation issues by documenting endangered species, habitat destruction or human-wildlife conflict. The goal is to evoke empathy and inspire action for wildlife conservation. More than 500 photographs of animals and sceneries were exhibited. Students from near by schools participated. This programme mainly focused on arising scientific temper and an empathy.
