PROJECT GANITHAM

Project Ganitham is a transformative educational initiative under INSIGHT for INNOVATION, a program registered with Centres to Promote Self-Organized Learning. This pioneering project is dedicated to enhancing foundational mathematical skills among school students in Alathur Taluk, Kerala, with a special focus on government and aided schools. By utilizing the academic strength and mentoring potential of undergraduate (UG) and postgraduate (PG) Mathematics students of our institution, Project Ganitham bridges the gap between academic theory and practical learning. .
