KOZHIKODE-17

Dated.....22/09/2025.....

Letter of Appreciation

Dear Dr. Praseeja Cheruparambath,

Hearty congratulations to you for successfully convening the three-day **National Tribal Congress on "Tribal Susceptibility, Wild Edibles and Traditional Food Systems for Sustainable Health."**

The seminar seems to be exemplary in its punctuality, academic precision, and tribal-friendly approach, reflecting your dedication and meticulous coordination in conducting the programme in strict accordance with the guidelines of KIRTADS and ensuring the academic quality of each session deserves special appreciation.

The active involvement of tribal representatives in the various sessions, along with the high-quality research papers presented in parallel sessions, added immense value to the Congress. In particular, the Conference Proceedings Book, compiled and peer-reviewed within such a short span of time, stands as a remarkable achievement and a testimony to the hard work of the conference secretariat. This truly needs to be imbibed and replicated by all higher academic institutions.

KIRTADS also extends its appreciation to **Principal Dr. Praveena Vijayan**, Chief Advisor **Dr. Ravindran**, UNESCO Chair **Dr. Pushpalatha**, the IQAC, the faculty members, guest lecturers, researchers, students, and the S.N. Trust Management, whose collective efforts ensured the grand success of this programme.

Above all, your tireless commitment and leadership have elevated this conference to the highest academic and social standards. Once again, we extend our warmest congratulations and best wishes for all your future endeavors.

With regards and appreciation,

Director

Dr. Praseeja Cheruparambath
Convenor
Assistant Professor
Department of Zoology
S.N. College, Alathur.
