PRESENTS

Orientation Programme

Dr. Suresh V
Associate professor,
PG and Research Department of Botany
Govt. Victoria College, Palakkad

29

September

2025

Venue: Botany Lab

10.30 am

Principal: Praveena Vijayan
HOD: Dr. R. Bindu
IQAC Coordinator: Dr. S. Dhiva
Coordinator: Dr. Binumol M

Organizing Committee
Dr. Shereena J
Dr. Hansiya V S
Dr. Soumya M

Schedule

Time	Programme	Venue
10.30 am	Inauguration	Botany Lab
11am -1pm	Talk and discussion	Botany Lab

Report on orientation Programme

The Department of Botany, Sree Narayana College, Alathur, in association with IQAC, organized an Orientation Programme on 29th September 2025 at 10.30 am in the Botany Laboratory. The programme was arranged to provide academic guidance, inspiration, and exposure to emerging opportunities for the students of Botany. The session was led by Dr. Suresh V, Associate Professor, PG and Research Department of Botany, Government Victoria College, Palakkad. The orientation began with a formal welcome and brief introduction, followed by Dr. Suresh's interactive and thought provoking session.

In his talk, Dr. Suresh emphasized the importance of entrepreneurship in the field of plant-based products, highlighting it as a trending and rapidly growing area. He pointed out that with the current global shift towards sustainable and eco-friendly alternatives, plant-derived innovations have immense potential. Furthermore, he noted that the success of such ventures becomes even higher when emotions or perceptions are attached to the products, as they create deeper connections with consumers.

The programme provided students with valuable insights into combining scientific knowledge, creativity, and entrepreneurial vision to build successful careers. It encouraged them to think beyond conventional academic boundaries and explore new horizons in applied botany and green business opportunities. The event was coordinated by the Department of Botany faculty, under the leadership of Principal Dr. Praveena Vijayan, HOD Dr. R. Bindu, IQAC Coordinator Dr. S. Dhiva, and Coordinator Dr. Binumol M, with active involvement of the organizing committee members, Dr. Shereena J, Dr. Hansiya V S, and Dr. Soumya M. The orientation programme was a great success, inspiring students to consider innovative approaches in botany, entrepreneurship, and research, while also instilling a sense of confidence and motivation for their academic journey.
