

SREE NARAYANA COLLEGE, ALATHUR
DEPARTMENT OF MICROBIOLOGY
IN ASSOCIATION WITH IQAC, SNGEC, TUTORIAL COMMITTEE, UG MONITORING
COMMITTEE AND CAREER GUIDANCE CELL

The Higher Education Orientation Program for Higher Secondary students was organized on 12/11/25 at ASMMHSS, Alathur at 1.30 p.m to provide valuable guidance on career choices and academic pathways after school. The session aimed to familiarize students with various higher education options, including university courses, vocational training, and professional programs, helping them make informed decisions about their future. Smt. Saraswathy, Department of Malayalam ASMMHSS, Alathur delivered the Welcome speech, Dr.S. Dhiva, IQAC Coordinator felicitated the program, and Smt. Divya.R Assistant Professor, Department of Microbiology handled the session and discussed admission procedures, emerging career trends, scholarship opportunities, and skill development, encouraging students to align their interests and strengths with suitable fields of study. Overall, the program served as an enlightening platform that motivated students to set clear academic goals and prepare effectively for their transition into higher education.
