POST GRADUATE DEPARTMENT OF ENGLISH
Report on the Language Skill Enrichment Programme 2025 -26

The Post Graduate Department of English, SN College, Alathur, conducted an English Language Skill Enhancement Programme for students of all departments during November and December 2025 to improve their communication skills and overall proficiency in English. The programme focused on strengthening Listening, Speaking, Reading, and Writing (LSRW) skills and preparing students for academic and professional needs. Activities such as role play, conversation writing, movie review presentations, speeches, debates, and self-introduction sessions were organized to enhance fluency, confidence, analytical ability, and public speaking skills.

Students from all departments participated enthusiastically, and the programme created a supportive environment that helped them overcome stage fear and communicate confidently in English. The initiative proved beneficial for their personal and professional development, and the Department of English plans to continue such programmes in the future.
